EUROPEAN UNIVERSITIES VOLLEYBALL CHAMPIONSHIP 2019

**LODZ
26 JULY – 2 AUGUST 2019**

Dear Friends,

I am happy to greet you at the 15th European Universities Volleyball Championship in Lodz, POLAND!

On behalf of the whole EUSA community, I would like to express my gratitude for inviting European student-athletes here. It's a wonderful occasion to be together and experience the beauty of sport. I am pleased to see so many sport lovers, who share values of fair play, equal opportunities and education, promoted by EUSA.

European Universities Championships 2019 organized in 23 sports make it possible for student-athletes to get to know each other and challenge their skills in a friendly atmosphere. During such events we do more than just sport – we broaden our horizons, get to know other cultures, we promote healthy mind in a healthy body. Being an organizer of such an event is challenging but rewarding. I know it's a hard task, and I want to express my appreciation to the Organizing Committee and its partners for the great job they have done. And of course, my gratitude to the authorities for their auspices of this event.

I believe that this Championship will bring the participants positive experiences and good results. I am sure that the athletes will compete in a fair play manner, respecting the rules and their opponents and please the spectators with their performance.

I hope you will enjoy your stay, your achievements and your time spent in Lodz!

Good luck!

Adam Roczek
EUSA President

Ladies and Gentlemen,

I am happy that Lodz University of Technology is the host of the 2019 European Universities Volleyball Championship. In the coming days, over 400 players representing 15 countries will compete in Lodz. The championship is yet another sporting event of this rank to be organized by the University Sports Association operating under the auspices of Lodz University of Technology.

Sports is extraordinarily important for personal development, therefore, in many different ways, we enthusiastically encourage and support physical activity and sportsmanship. With this in mind, we opened TUL Sports and Education Centre 'Sports Bay' - the venue of the 2019 European Universities Volleyball Championship opening ceremony and an important spot on the sports map of the region of Lodz.

I wish all teams great results, intense sports emotions, and a wonderful atmosphere during the championship games. I am convinced that the time spent in Lodz, a truly multicultural and academic city, will be unforgettable.

Prof. Sławomir Wiak

Rector of Lodz University of Technology

Dear Athletes,
dear representatives of delegations,
dear friends of present NUSAs,
dear members of the Organizing Committee,

We are happy and honoured to be your EUSA Technical Delegates at the 15th European Universities Volleyball Championship here in the wonderful city of Lodz, Poland!

My colleagues Ellen-Mari Burheim and Lars Rydland from Norway and me, we are looking forward to a week of challenging competitions.

This event is not only important for sport but as well for improving the EUSA community, because students coming from all over Europe will meet each other, learn from each other and make new friends.

By that we all will work on lowering down fences between nations and societies.

The teams will try to perform at their best, compete in a fair play manner, respect the rules and regulations of the event, the referees' decisions as well as their opponents and will get support from spectators and fans.

This is the European spirit like we want to see it and a strong signal, that the idea of an European Community is getting stronger and better throughout sport.

Volleyball is one of the founding sports of EUSA and thereby it is a pleasure for us to recognize, that 14 men's and 15 women's teams will take part in tournament here in Lodz.

I'd like to express our thank and admiration to the members of the organizing committee and to AZS, for their dedication and efforts to realize that event for all of us.

Joerg Foerster

EUSA Technical Commission Chair

GENERAL INFORMATION

ABOUT AZS – POLISH UNIVERSITY SPORTS ASSOCIATION

AZS (Polish University Sports Association) stands for the oldest university sports organization in Poland, founded in the academic year 1908/1909, operating first in Kraków, and subsequently, in other student towns of the country. Since 1923, it has spread to the national level, becoming the largest student organization in Poland.

AZS currently associates around 42,000 members- students, university employees, school pupils and alumni, belonging to one of the 250 university-affiliated AZS sport sports clubs, 30 regional AZS organizations, and specialized sports clubs.

AZS is proud to be a prominent and active member of both FISU and EUSA, successfully participating in, as well as organizing University Championships. As of 2017, Poland has hosted a total of 23 European University Championships, 27 World University Championships and 2 editions of Winter Universiade (1993 and 2001, both held in Zakopane).

AZS is a unique community of students and academic staff. It opens minds, promotes the pursuit of an active lifestyle, finding the right balance between studying and following hobbies, individual and teamwork. Typically, one's AZS membership lasts 5 to 6 years; the experience is for life.

ABOUT EUSA

The European University Sports Association (EUSA) is an umbrella organization that comprises National University Sports Associations (NUSA) from 46 European countries, providing sporting activities,

educational events, and expertise in policy making and programming. The organization is well known within the sector as a safe and strong voice for University sports in Europe, promoting fair play values, and supporting their membership by partnering with European Sports Federations and lobbying within the European Union, the Council of Europe and other institutions for funding to improve the provision of sport. EUSA is a proud and active associated member of the International University Sports Federation (FISU) and also works with other Continental University Sports Federations (CUSF).

EUSA ACTIVITIES

SPORT EVENTS

European Universities Games

European Universities Games (EUG) is a multi-sport university sports competition governed by the European University Sports Association (EUSA). Participants in these events are European university teams and individuals.

The Games are organised on a biannual basis, starting with 2012, with the latest European Universities Games taking place in Coimbra, Portugal in 2018. The Games as such represent the largest European multisport student event.

European Universities Championships

European Universities Championships (EUC) are university sports competitions governed by the European University Sports Association (EUSA). Participants in these events are European university teams and individuals.

The championships have been organised annually since 2001, starting with two sports. EUSA sports programme as continued to grow, and currently the championships are organised with 23 sports taking place across Europe.

Cups, Patronage, Joint Events

EUSA Cups may be awarded to those sport events that are yet to be considered to be put on the list of sports for the European Universities Championships.

EUSA may grant its patronage to already established university sport events in Europe, helping to promote them through its networks.

EDUCATIONAL EVENTS

Conferences, Conventions & Seminars

As well as our General Assembly, EUSA supports and encourages educational activities in the field of student sport. These are mainly realised by the two events organised by EUSA: EUSA Seminars and EUSA Conventions.

EUSA General Assembly - the official meeting of the EUSA members and at the same time represents the highest authority and governing body of the organisation.

EUSA Seminars - organised biannually, and usually accompany the General Assemblies and focus on subjects which are of interest for the member organisations.

EUSA Conventions - organised annually as a training programme for the organisers of the European Universities Championships and European Universities Games.

PROJECTS

EUSA Projects & Partnership Projects

Apart from the Sports Competitions and other Educational Events, the European University Sports Association also runs independent projects, together with other partners. EUSA is currently engaged with a number of projects in the fields of Gender Equality, Dual Careers, Active lifestyle, Volunteering and more.

ABOUT EUSA VOLLEYBALL

The Mens team from the University of Rzeszow (POL) won in the home town, in the 2017 championships , with the Womens competition being won by University “Vasile Alecsandri” of Bacau (ROU), retaining their 2016 title.

In the latest edition of the European Universities Games in Coimbra, the winner of the women's tournament was the University of Lausanne (SUI) and the winner of the men's tournament was the Beykent University (TUR).

COMPETITION VENUES AND SERVICES

ACCREDITATION

Accreditation center ([Sports Bay](#), al. Politechniki 10, Lodz)

The accreditation center will be at **Sports Bay small conference room (2nd floor)** and will be open on July 25th. Each delegation will be accredited on arrival to Lodz. Only Head of Delegation is required at the accreditation center and must produce the necessary documentation and make financial payments on behalf of the whole delegation.

Information check and Finances

Upon arrival at the accreditation center, the HoD will be required to check and confirm all information for their delegation. Any missing or amended information must be updated at this time.

In case of any outstanding payments, they must be settled in full by cash. Only Euros will be accepted and payment must be given in exact change. If the correct change is not available, they will be rounded to the nearest €5. HoD will receive invoices for all payments made to the OC.

Accreditation procedure

Once all payments have been settled in full, the HoD will present to the SCAC Chair eligibility documentation for each individual:

Official:

- A current passport / ID card

Athlete:

- A current passport or ID card, indicating a date of birth between 1 January 1989 and 31 December 2002;
- A fully-completed Certificate of Academic Eligibility

OR

- Evidence that the competitor successfully graduated (completed) an eligible course of study in the Academic Year 2018

When the accreditation documentation is agreed by the SCAC Chair, payment of entry fee to EUSA will be checked and settled in case of outstanding payments. The accreditation cards for the delegation will then be issued to the HoD.

INSURANCE

As per Rules and Regulations for EUSA Sports Events 2018, *delegations shall have the appropriate insurance to cover their travel and participation in the EUC. The delegation shall be responsible to provide international health insurance for all its members.*

Countries within the EU/EFTA:

- Be sure that each member of your team brings the European Health Insurance Card (EHIC), which gives you access to medically necessary, state-provided healthcare during a temporary stay in Poland. These cards are issued free by your national health insurance provider.
- Remember that the EHIC is not an alternative to travel insurance. It does not cover any private healthcare or costs such as a return flight to your home country or lost/stolen property.

Countries outside the EU/EFTA:

- Please take care to have both health insurance and travel insurance while travelling to Poland.

TRAINING

Official training will be held on:

- July 25, 15:00 – 22:00
- July 26, 08:00 – 16:00

RULES AND REGULATIONS

Technical Regulations

EUSA Rules and Regulations 2019 can be found on the [EUSA webpage](#). This includes all general rules and regulations, as well as sport specific rules and regulations

International Regulations And Exceptions

The organization of the EUC Volleyball shall be mainly based on the most recent Technical Regulations of the International Volleyball Federation (FIVB) and the European Volleyball Confederation (CEV).

Eligibility to play

REG 55 Only the following may participate as competitors:

REG 55.1 Students who are officially registered for and pursuing a course of study at: university, or similar institute with the status as an institution of higher education recognised by the appropriate national authority of their country. Participation of university teams from disputed territories is possible only for universities recognized either by the European University Association or the International Association of Universities. Such Universities will compete under University and EUSA flag. A student shall confirm his status by delivering completed, signed and sealed EUSA Certificate of Academic Eligibility (Individual Entry).

REG 55.2 Former students of the institutions mentioned above who obtained their academic degree or diploma in the academic year preceding the EUC.

REG 55.3 Competitors shall not be younger than 17 (seventeen) and older than 30 (thirty) years (by formula: the EUC Year –competitor's year of birth = age).

REG 56 If the official(s) of a delegation deliberately misinform the SCAC Chair about the eligibility of a competitor(s), the participant and the team of the sport concerned will be excluded from further participation in the current event: such fraud may give grounds for the termination of that country's membership of EUSA.

Balls for training and warm – up will be provided by the OC. Teams' own balls may be used for training as well.

FAIR PLAY

Fair play is deeply embedded in the values of EUSA. The objective of promotion and encouragement of Fair Play is already set in the statutes of EUSA, as part of the core objectives of the organisation. Partnership with the European Fair Play Movement in 2013 proves this even more. Since 2007, EUSA announces the best gesture of fair play in its sports event for the current year and awards the winners the special fair play recognition, Enno Harms Fair Play Award, named after the first EUSA President, a person very much devoted to fair play.

At every EUSA sport event, the organisers, EUSA representatives, and technical delegates pay special attention to the fair play gestures and attitude throughout the duration of the event. By participating at an EUSA sport event, participants are thereby swearing on an oath of respect and fair play. The oath is announced to the world by the student athletes, and by the officials before the official opening of any EUSA sport event.

A first in 2017, EUSA introduced the Fair Play green card at the European Universities Football Championship as a result of the close cooperation with the European Fair Play Movement. We are proud to see a successful introduction of this green card, which further promotes the values of Fair Play and good sportsmanship gestures on the field. As a result of these actions the people involved with the first showing of the Fair Play green card were welcomed at EUSA Gala 2018 in Madrid to collect the 2017 Enno Harms Fair Play award.

The prestigious annual EUSA Enno Harms Fair Play Award is awarded Athletes demonstrating fair play during the matches, following the rules and pursuing a “clean” game are awarded with a fair play recognition already during the event. EUSA Executive Committee members on its last meeting each year discuss the proposals received from all sporting events governed by EUSA in that year and select the team or individual to receive the Enno Harms Fair Play award which is formally handed to them at a special occasion – usually at EUSA Gala.

ANTI-DOPING

Doping is not a guarantee of success in sport. In fact, its effect is usually the opposite. A lot of elite sportsmen and sportswomen who did doping got caught. As a result, they lost pride and were banned for at least 2 years from participating in a sport they loved and lived for. An even bigger problem of doping are the effects on the body.

In elite sports, doping is defined as a violation of one or more anti-doping rules:

1. Presence of a prohibited substance in an athlete's sample
2. Use or attempted use of a prohibited substance or method
3. Refusing to submit sample collection after being notified
4. Failure to file athlete whereabouts information & missed tests
5. Tampering with any part of the doping control process
6. Possession of a prohibited substance or method
7. Trafficking a prohibited substance or method
8. Administering or attempting to administer a prohibited substance or method to an athlete

You can find the list of prohibited substances and methods on the internet. It's updated every year by the World Anti-Doping Agency (WADA) and it's valid for every sport. You should check every substance you are taking. Athletes need to completely avoid steroids, erythropoietin (EPO), stimulants, human growth hormone (HGH), marijuana and narcotics, and pay special attention also to dietary or nutritional supplements.

EUSA is active in Anti-Doping promotion, and has been a partner in the European Anti-Doping Initiative (EADIn), project aimed at establishing an European-wide Anti-Doping mentality in the youth sector by establishing a moral tenor towards concepts such as Fair-play, sensitizing and raising awareness on all levels of the complex social environment surrounding the doping problematic and implementing strategies to motivate young people to pass on the message and create a strong multiplying effect. Also the International University Sport Federation (FISU) has been actively promoting sports without drugs, also on university sport level.

EUSA is currently not enforcing doping tests at our events. In accordance with the national legislation of the host countries, however, doping controls may be implemented by the National Anti-Doping Agencies. If such doping tests are executed, the WADA rules and regulations are applicable to all athletes. Please remember that testing can be conducted in-competition and out-of-competition. If you are identified in a Registered Testing Pool (RTP), you must provide current and accurate whereabouts information.

What can you do to be an excellent sportsman or sportswoman?

- Practice right and live healthy
- Get more information about consequences of Doping
- Play fair and be a good role model to younger athletes
- Be committed to sport without doping

Doping? No, thanks!
